

Welcome to George Street

Reception Classes

- Conway Road gate is the only way to access the EY building
- Gates open at 8.50a.m.
- Children to be left with staff at gate
- Children to be picked up from gate at 3.15p.m.

- Uniform states grey trousers/skirt/pinafore, but in Early Years to allow for freedom of play, and easier toileting, we prefer children to wear joggers or leggings
- White polo shirt and red jumper or cardigan
- Items with logo are not necessary, but ALL items should be marked with the child's name – we cannot guarantee items returning to the rightful owner if they are not labelled
- A full change of clothing, also marked with child's name should be brought to school (and kept there, if it can be spared – this does not need to be uniform)
- Shoes should be secure (not slip on), and preferably have Velcro fastenings. These should also be clearly marked with the child's name
- Please, NO dungarees or all-in-one playsuits – these are incredibly difficult for children to manage independently
- Children will need to bring a coat every day as the weather can change significantly, but we will still access the outdoor area

The background of the slide features a large, faint watermark of the St. George's School crest. The crest is a shield with a red border, containing a blue cross, a white crown, and the letters 'S' and 'G' in white. The text 'St. George's School' is written in a serif font across the shield.

We will need your child's information pack to be returned on their first visit to School (either the taster day, or their start date) so that you can be informed in case of an emergency.

Please also update the office if contact details change during the year

- 
- The crest of George S. Park School is a shield-shaped emblem. It features a yellow border. Inside, the top half is red with the word "George" in white serif font. The bottom half is white with a red border. In the center, there is a yellow brick archway. Below the archway, the letters "P" and "S" are written in large, white serif font, separated by a red vertical line. The crest is positioned in the background of the slide.
- Under current guidelines, we are not permitted to offer snack prepared in School, so ask parents to send their child with a small healthy snack, and a water bottle clearly marked with their name to have at snack time. **Please make staff aware if your child has any allergies**
 - **No other** items should be brought to school (e.g. toys / stationery)
 - The £1.25 contribution towards snack is currently not applicable
 - Toothbrushing not taking place at this time, but permission forms will be sent out when it is allowed to resume

- 
- Children will be able to access Forest School at designated times. Please be aware that children may get muddy on these days
 - Reception children will have PE on Fridays. Kit is not necessary as children will be able to participate wearing their usual school clothes
 - We share examples of the children's activities and adventures on Twitter – not all children can be represented at any one time, but it provides a 'starting point' for a conversation with your child as to what they have been doing in school. Please indicate whether you are willing for your child's photos to be used for this purpose in your admission pack. **Children are never identified by name**
