GEORGE STREET PRIMARY & NURSERY SCHOOL**

Sunday 07 February 2021

Dear parent/carers

**IMPORTANT – PLEASE READ**

**SCHOOL HUB CLOSED FOR ALL NURSERY, RECEPTION, YEAR 1 AND YEAR 2 PUPILS**

We have been advised this weekend by the NHS Wales Test, Trace, Protect Service that there have been several confirmed cases of COVID-19 at George Street Primary School.

All close contacts of the cases have been identified and are receiving appropriate advice to self-isolate.

The School has acted promptly and is working closely with the NHS Test, Trace and Protect (TTP) team based in Torfaen Council to ensure all appropriate measures are in place to protect pupils, staff and the wider community.

Texts are being sent to provide a link to letters with further information:

If you receive a letter from school advising you that your child has been identified as a close contact, then they will need to follow the advice to self-isolate.

If you do not receive a letter that identifies your child as a close contact of the known cases then it is not necessary for your child to self-isolate unless they develop symptoms of Covid-19.

I am also writing to advise that given the number of staff who have been identified as close contacts, the **school will not be able to open for Nursery, Reception, Year 1 or Year 2 pupils next week.**

A deep clean of the school will take place this week and further information about the general return of pupils in foundation phase will be provided before the half term break.

If you require further information or wish to speak with a member of school staff then please ring the school office on Monday morning.

Kind regards,

Mr A Brasington
