Thursday 25th November 2021

Dear Parent/Carers

Manor Adventure

We are writing to provide a few reminders/updates ahead of our Year 6 Trip to Manor Adventure.

Final Payment

Firstly, we would like to remind you that the final visit payment is due on Thursday 25th November. This payment must be made via the school's cashless system and can be made on or before the day of Thursday 25th November. We cannot accept any late payments due to the closeness of the visit.

Parents Meeting

A parent's meeting has been arranged for **Wednesday 1st December 2021 at 5:30pm**. This meeting will be via Microsoft Teams and will be led by a member of Manor Adventure staff. This will give you an opportunity to learn about what children will be doing during their time away and to ask any questions you may have about the visit. We will send a text link for you to be able to join this meeting before the end of this week.

Children showing symptoms of Covid-19 during the visit

We obviously hope that our trip will be free of any Covid complications however, we do need to have protocols in place should any child become unwell with Covid or for any other reason during our time away. If a child shows symptoms of Covid-19 while at Manor Adventure, we will move them to a designated isolation room within the building where they can be monitored by a member of school staff. We will then contact parents/carers to collect your child as soon as possible.

Updates during the trip

As children will not be allowed to take mobile phones with them during the visit, we will do our best to keep you updated during the trip via our Year 6 twitter feed @GSPriYear6. Any travel information on the day of departing Manor will be sent via text.

Many Thanks

Year 6 Team
