Menter Iaith Sir y Fflint present: a new app to help second-language pupils who learn Welsh in the Foundation Phase to learn to read in Welsh.

Powys

Betsan a Roco yn y Pentref

FREE

An exciting new app for the youngest learners in the Foundation Phase. It includes a series of games that will give learners the opportunity to develop their Welsh language skills in a fun and interesting way. The activities have been carefully designed to develop specific literacy and numeracy skills, in accordance with the Foundation Phase Framework.

The app accompanies the popular Canolfan Peniarth series, Exploring the Environment, and is based on the village in the series. However, users do not need to be familiar with the series to enjoy the app. The challenge for the children is to visit different buildings in the village and successfully complete the activities within them.

With this Learning game, your kids will have fun learning the different Colours and Shapes in Welsh.

Powys
Tric a Chlic

Tric a Chlic is one of the most popular resources that Canolfan Peniarth has published. The Tric a Chlic resource is a progressive and systematic synthetic phonic reading scheme for the Foundation Phase, which incorporates three steps. Following the success of the scheme within primary schools across Wales, Canolfan Peniarth has now developed an iOS app to go with Tric a Chlic.
