- Week 3&4 - Plan and Write a Fact file
- Week 5&6 - Plan and write a leaflet using experiences and reflective writing
- Week 7 - Perform a Christmas concert

Mathematics & Numeracy

- Week 1 - Doubling numbers
- Week 2 - Positional language and direction
- Week 3 - Time
- Week 4 - Measuring
- Week 5 - Subtracting
- Week 6 - Halving
- Week 7 - Shape

Topic Learning Journey

During this half term children will learn about how passions and hobbies can shape future professions. The love of art creates an artist, being a baker can lead to owning a business. We will learn about opportunities in our local area and experience sessions.

- Write about our passions and hobbies and how these could influence our future
- Ask questions to gain information to include in an information leaflet.
- Use a map of Pontypool to plot our home and local landmarks including clubs.
- Create an information leaflet writing for an audience.
- A christmas concert to showcase the talents and passions of our children.

Welsh

The children will investigate Welsh language through daily Helpwr Heddiw sessions,

- Ble wyt ti'n byw
- Sut mae'r tywydd heddiw?
- Beth wyt ti'n hoffi?

Suggested Learning for School

- Read regularly at home - return weekly reading books on a Wednesday.
- Encourage your child to write as much as possible – it could be a shopping list, a thank you note or a letter.
- Spelling lists
- Maths seeds
- Take local walks around Pontypool and practice giving and following directions. E.g "Go straight past the park, turn left at the library, then the rugby club is on your right."
